New contacts

Jul 28, 08:17

We invite journalists and recovery companies for registration on our platform. To register, click "Contact us".

We do

HTTPS://

Data size

50 GB

Company data will be available after.

09 day, 20:44:29

Time ends: 23 Aug, 13:35 PM [NY time]

We took from your network many different confidential data, all data are fresh for the 2019, 2020, 2021. We was in your network last several week and found all data that was the most interesting. If you do not pay we will publish that data and inform all the biggest mass-media in Brazil and US, Coca Cola and her lovers will be madly angry. **Waiting for you in the chat.**

Screenshots of random data:

will be available very soon...

With Love! RAN SOM WARE Vice Society

There are many journalists asking questions about us and our attacks. If you are a journalist and want to ask some questions you should write:

1. Who are you?
2. Where are you from?
3. Where will you publish our answers?

We are trying to answer everyone in 24 hours.

FOR JOURNALISTS

FOR VICTIMS

OUR BLOG

How did you decide to team up and start a dedicated ransomware group? How was ViceSociety born?

-Group of friends that were interested in pentest. We decided to try.

OUR PARTNERS

Can you explain your decision to publish "company name" data?

-They didn't pay.
