Description:

```
@iH<,{bdR2H;i6*Tm,Wx2izpx2!
```

Solution:

Base91解码

The screenshot shows a web browser window with the URL `ctf.ssleye.com/base91.html`. The page title is "Base91编码". Below the title, there is a text input field containing the Base91 encoded string: `@iH<,{bdR2H;i6*Tm,Wx2izpx2!`. Below the input field are two buttons: "编码" (Encode) and "解码" (Decode). The "解码" button is highlighted, and the output field below it displays the decoded flag: `flag{554a5058c9021c76}`. The browser's address bar and tabs are visible at the top.

Flag:

flag{554a5058c9021c76}
