解题思路

Search for the username `Broiestevane` *in [Sherlock](#)*

```
1 python3 sherlock Broiestevane
```

The results give us an Instagram link https://www.instagram.com/Broiestevane/. Opening the link we see that the description has the following text:

```
1 I cant believe I missed my exam for this party :
2 www.instagram.com/p/B3pJE1CgMvI
```

Opening the link www.instagram.com/p/B3pJE1CgMvI gives us the place where the party was held which is the flag.
